

Nutella Chocolate Birds Nests

www.RoamingRosie.com

Ingredients:

- 1 cup milk chocolate chips
- 1 cup Nutella
- 12 oz. chow mein noodles
- 72 candy-coated malted milk chocolate eggs
- Edible Grass, cut into 1-inch pieces (optional)

Melt the chocolate chips in a large microwave-safe bowl at half power, stirring every 30 seconds until smooth. Stir in the Nutella.

Pour the noodles into the chocolate mixture and stir gently until they are all fully coated.

Spray 24 muffin tins with nonstick baking spray and scoop a spoonful of the noodle mix into each tin. Move the noodles with a spoon or your fingers so that they are shaped like a nest.

Place 3 chocolate eggs in the center of your nest while the chocolate is still slightly melted. Sprinkle a little edible grass over the top, if desired.

Put the nests in the refrigerator for at least an hour to allow the chocolate to set. Remove from the muffin tins with the help of a spoon.

Store in a closed container in the fridge, using waxed or parchment paper to separate stacked layers.
